This Agreement may not be renewed.

4. AGREEMENT PAYMENT AND AVAILABILITY OF FUNDS: DEO shall pay EFI up to, but not to exceed, \$16,000,000.00 in consideration for EFI's performance and services pursuant to this Agreement. Pursuant to section 287.0582, F.S., the State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. For the submission of all payment documentation as referenced directly above in Article 6, *Payment*, paragraph b., DEO shall review and communicate to EFI in writing any deficiencies in the payment documentation. Any such deficiencies shall be resolved in accordance with Article 21, *Defaults, Sanctions and Remedies*, the terms of this Agreement and any of its Attachments hereto, and applicable law.
- d. EFI shall submit the final invoice for payment to DEO no later than 60 calendar days after the Agreement ends or is terminated. If EFI fails to do so DEO may refuse to honor any requests submitted after this time period and may consider EFI to have forfeited any and all rights to payment under this Agreement.

The report shall contain the names and addresses of the minority and service-disabled veteran businesses; the aggregate dollar figure disbursed that quarter for each business; the time period; type of goods or services; and the applicable code. If no expenditures were made to minority and service-disabled veteran businesses, EFI shall submit the form marked "none." EFI shall defend and hold DEO harmless of any liabilities incurred under any of the subcontracts entered into by EFI. EFI shall be liable for all work performed and all expenses incurred as a result of any subcontract.

b. Any and all subcontracts that EFI executes with a recipient under which such person or organization receives State financial assistance, as defined in s. 215.97, F.S., and agrees to perform economic development services or similar business assistance services on behalf of EFI, shall include provisions requiring that such person or organization report on performance, and account for proper use of funds provided under the subcontract (including the provision of audit rights pursuant to Attachment III, *Special Audit and Monitoring Requirements*, when applicable). EFI agrees to coordinate with other components of State and local economic development systems, and avoid duplication of existing State and local services and activities.

c. Any and all subcontracts that EFI executes with a person or organization shall include provisions whereby EFI and the subcontractors agree to abide by all federal, state, and local laws, including but not limited to, the requirements of s. 215.971, F.S., for agreements with subrecipients of state financial assistance as defined in s. 215.97, F.S.

d. Upon prior written notice of same to EFI, EFI shall not object to any of the State of Florida's assignment or transfer of its rights, duties, or obligations under this Agreement to another governmental agency in the State of Florida. 12. INDEPENDENT CAPACITY OF CONTRACTOR:

a. The Parties agree that EFI, its officers, agents, and employees, in performance of this Agreement and any attachment hereto, shall act in the capacity of an independent contractor. Neither EFI, nor any of its employees or agents, shall be entitled to receive any benefits of state employment, including retirement benefits or any other rights or privileges connected with employment in the State Career Service System. EFI agrees to take such steps as may be necessary to ensure that each subcontractor of EFI will be deemed to be an independent contractor and will not be considered or permitted to be an agent of the State of Florida.

b. EFI shall not pledge the State of Florida's nor DEO's credit nor make the State of Florida or DEO a guarantor of payment or surety for any contract, debt, obligation, judgment lien, or any form of indebtedness.

c. At all times during this Agreement, EFI shall comply with the reporting and Reemployment Assistance contribution payment requirements of chapter 443, F.S.

13. LIABILITY: To the fullest extent permitted by law, DEO shall not assume any liability for the acts, omissions to act, or negligence of EFI, its agents, contractors, subcontractors, grantees, subgrantees, servants, or employees. In all instances, EFI shall be responsible for any injury or property damage resulting from any activities conducted by EFI. No Party shall be liable to another for special, indirect, punitive, or consequential damages, including lost data or records, even if the Party has been advised that such damages are possible. No Party shall be liable for lost profits, lost revenue, or lost institutional operating savings. To the fullest extent permitted by law, the State and DEO may, in addition to other remedies available to them at law or equity and upon written notice to EFI, retain such monies from amounts due EFI as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against the State or DEO.

14. INDEMNIFICATION:

a. To the fullest extent permitted by law, EFI, shall fully indemnify, defend, and hold harmless DEO from and against suits, actions, damages and costs of every name and description, including attorneys' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by EFI, its agents, employees, partners or subcontractors within the context of this Agreement; provided, however, that EFI shall not indemnify for that portion of any loss of damages proximately caused by the negligent act or omission of DEO. Without exception, EFI, shall indemnify and hold harmless the State of Florida and its employees and agents from liability of any nature or kind, including costs and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article manufactured by EFI.

b. At DEO's election and upon notification to EFI, EFI shall assume the defense or settlement of any third-party claim arising under this Agreement and any attachment hereto with counsel reasonably satisfactory to DEO; provided, however, that EFI shall not settle or compromise any such claim in an amount over \$10,000 without DEO's prior written consent. Notwithstanding the foregoing, (a) DEO shall have the right, but not the obligation, at DEO's option and expense, to participate fully in the defense or settlement of any third-party claim; and (b) if EFI does not continuously defend or settle any third-party claim within 30 days after it is notified of the assertion or commencement thereof, then (i) DEO shall have the right, but not the obligation, to undertake the defense or settlement of such claim for the account and at the risk of EFI, (ii) EFI shall be bound by any defense or settlement that DEO may make as to such claim, and (iii) EFI agrees to reimburse DEO with non-State funds for the reasonable attorney's fees and costs associated with any defense or settlement that DEO may undertake as to such claim described in (b). DEO shall also be entitled to join EFI in any third-party claim for the purpose of enforcing any right of indemnity hereunder.

15. PATENTS, COPYRIGHTS, AND ROYALTIES: If any patentable discovery or invention arises or is developed by EFI in the course or as a result of work or services performed under this Agreement, EFI shall provide written notification to DEO of the discovery or invention. The Parties agree that trademarked or copyrightable materials such as books, films, logos, music, art, or other artistic or intellectual property may be created, developed, licensed, owned, assigned, or transferred in the course of or as a result of work or services performed by EFI or EFI subcontractors under this Agreement without notification or consent of DEO.

16. RESPONSIBILITIES OF GOVERNING BOARD OR AUTHORITIES: The Parties agree that any information, including updates, reports, publications, studies, and any and all reasonably requested information, that is required by federal, State, or local law shall be approved by those persons having the authority to do so prior to submission, and shall be signed only by those persons having the legal authority to do so or appropriately ratified by such an authority.

a. Representatives of DEO, the Chief Financial Officer of the State of Florida, the Auditor General of the State of Florida, the Florida Office of Program Policy Analysis and Government Accountability shall have access to any of EFI's books, documents, papers, and records, including electronic storage media, as they may relate to this Agreement, for the purposes of conducting audits or examinations or making excerpts or transcriptions.

b. EFI shall retain and maintain for a period of five years all records and make such records available for an audit as may be requested. Records shall include independent auditor working papers, books, documents, and other evidence, including, but not limited to, vouchers, bills, invoices, requests for payment, and other supporting documentation, which, according to generally accepted accounting principles, procedures and practices, sufficiently and properly reflect all program costs expended in the performance of this Agreement. The records shall be subject at all times to inspection, review, or audit by State personnel of the Office of the Auditor General, Chief Financial Officer, Office of the Chief Inspector General, or other personnel authorized by DEO and copies of the records shall be delivered to DEO upon request.

c. EFI agrees to reimburse the State with non-State funds, in an amount not to exceed the total for its disallowed costs, for the reasonable costs of investigation incurred by the Inspector General, State Auditor General or other authorized State official or agent for investigations of EFI's compliance with the

terms of this or any other agreement between EFI and the State which results in disallowed costs. Such reasonable costs shall include, but shall not be limited to: salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. EFI understands and will comply with the requirements of s. 20.055(5), F.S., including but not necessarily limited to, the duty of EFI and any of EFI's subcontractors to cooperate with the inspector general in any investigation, audit, inspection, review, or hearing pursuant to s. 20.055, F.S.

d. EFI agrees to comply with all statutorily applicable audit requirements of sections 215.97 and 17.03, F.S., and those found in Attachment IV, *Special Audit and Monitoring Requirements*. The applicable rules of the Auditor General referenced in Attachment IV, *Audit Requirements*, shall include those set forth in chapter 10.700 (certain non-profit organizations), as amended.

e. EFI shall include the record keeping requirements described above in all subcontracts and assignments with subrecipients of state funds according to s. 215.97, F.S. For purposes of this Agreement, "subrecipient" shall be defined in accordance with s. 215.97(2)(y), F. S.

f. EFI shall maintain financial records related to funds paid by EFI to any parties for work on the matters that are the subject of this Agreement as required by law. As applicable, EFI shall submit a written independent audit report to DEO specifically covering the period of Agreement expenditures pursuant to sections 288.904, 215.981, 215.97 and 11.45, F. S., and any other relevant laws.

g. Each Party agrees to provide copies of any audit referencing this Agreement, the audit transmittal letter, and any response to such audit to the other Party within 30 days of receipt.

h. Within 60 calendar days of the close of EFI's fiscal year, on an annual basis, EFI shall electronically submit a completed Audit Compliance Certification (a version of this certification is attached hereto as Attachment V) to audit@deo.myflorida.com. EFI's timely submittal of one completed Audit Compliance Certification for each applicable fiscal year will fulfill this requirement within all agreements (e.g., subcontracts, subgrants, memorandums of understanding, memorandums of agreement, economic incentive award agreements, etc.) between DEO and EFI.

i. EFI shall (i) maintain all funds EFI received pursuant to this Agreement in bank accounts separate from its other operating or other special purposes accounts, or (ii) expressly designate in EFI's business records and accounting system, maintained in good faith and in the regular course of business, that such funds originated from this Agreement. EFI shall not commingle the funds provided under this Agreement with any other funds, projects, or programs. DEO may, in its sole and absolute discretion, disallow costs that result from purchases made with commingled funds.

18. ACCESS TO RECORDS AND PUBLIC RECORDS REQUIREMENTS:

a. EFI shall keep and maintain public records required by DEO to perform EFI's responsibilities hereunder. EFI shall, upon request from DEO's custodian of public records, provide DEO with a copy of the requested records or allow the records to be inspected or copied within a reasonable time per the cost structure provided in chapter 119, F.S., and in accordance with all other requirements of chapter 119, F.S., or as otherwise provided by law. Should EFI cease operations or cease receiving State appropriations, EFI shall transfer, at no cost, to DEO all public records in possession of EFI or keep and maintain public records required by DEO to perform the service. If EFI keeps and maintains public records upon completion of the Agreement, EFI shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to DEO, upon request from DEO's custodian of records, in

EFI FUNDING AGREEMENT NO S0117

a format that is compatible with the information technology systems of DEO. EFI shall cooperate with DEO regarding DEO's efforts to comply with the requirements of chapter 119, F.S.

b. Pursuant to section 288.901(1)(b), Florida Statutes, EFI acknowledges that the Legislature has determined it is in the public interest and reflects the state's public policy that EFI operate in the most open and accessible manner consistent with its public purposes. To this end, EFI and its divisions, boards, and advisory councils, or similar entities created or managed by EFI, are subject to the provisions of chapter 119 relating to public records and those provisions of chapter 286 relating to public meetings and records.

c. If DEO does not possess a record requested through a public records request and the record is one that is in EFI's possession, DEO shall forward the request to EFI as soon as practicable.

d. DEO does not endorse any contractor, commodity, or service.

e. DEO may unilaterally cancel this Agreement if EFI refuses to allow public access to all documents, papers, letters, or other material made or received in conjunction with the Agreement, unless the records are exempt from section 24(a) of Art. I of the State Constitution and section 119.07(1), F.S.

f. **IF EFI HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, F.S., TO EFI'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS** by telephone at 850-245-7140, via e-mail at PRRequest@deo.myflorida.com, or by mail at Department of Economic Opportunity, Public Records Coordinator, 107 East Madison Street, Caldwell Building, Tallahassee, Florida 32399-4128.

g. EFI may, from time to time, provide administrative support to other entities which are a part of EFI or assist EFI in the performance of its mission. To the extent that EFI's administrative support includes processing public records requests, EFI shall coordinate with such entity in timely notifying DEO of the nature and extent of the request and responding to the request, in a manner not inconsistent with EFI's responsibilities set forth herein.

19. GOVERNING LAW: This Agreement is executed and entered into in the State of Florida, and shall be construed, performed, and enforced in all respects in accordance with the laws and rules of the State of Florida. Without limiting other provisions of this Agreement, including but without limitation, Article 22, *Dispute Resolution*, the exclusive venue of any legal or equitable action that arises out of or relates to the Agreement shall be the appropriate court in Leon County, Florida; in any such action, the Parties hereby expressly waive any right to jury trial to the fullest extent permitted by law. Should any term of this Agreement conflict with any applicable law, rule, or regulation, the applicable law, rule, or regulation shall control over the provisions of this Agreement.

20. STRICT COMPLIANCE: EFI agrees that all acts to be performed by it in connection with this Agreement must be performed in strict conformity with all local, State and federal laws and regulations.

21. DEFAULTS, SANCTIONS AND REMEDIES:

a. If EFI fails to comply with any of the terms of this Agreement or accompanying attachments

hereto, DEO may exercise any remedies available at law or in equity, including but without limitation, the right to (i) impose sanctions as Financial Consequences, as described Attachment III, Sanctions, (ii) impose Financial Consequences which withhold and pro-rate or reduce payments as provided in Attachment I, Scope of Work, (iii) withhold portions or all of Quarter 3 and Quarter 4 payments as described in Attachment VI, Payment Schedule, or (iii) terminate this Agreement in accordance with the terms hereof.

b. Except as otherwise provided herein, if EFI defaults in the performance of any duty, obligation, covenant, or agreement imposed on it or made by it in this Agreement, this Agreement's Attachments hereto, or by law, then DEO may provide a notice of the default to EFI. EFI shall have 30 calendar days following the date of the notice of default, either to cure the default, or to demonstrate to the satisfaction of DEO that corrective action has been taken and will likely result in curing the default within a period of time that DEO agrees is reasonable. If EFI fails to cure the default within the timeframe established above, whether immediately or otherwise or make such demonstration to the satisfaction of DEO, DEO may exercise any remedy available to it under the law or in equity, including, without limitation the right to terminate this Agreement, or withhold all or any portion of payment(s) to EFI until such time as DEO determines, in DEO's sole discretion, that the default has been cured. For avoidance of doubt, EFI's failure to comply with any applicable statutory or legal requirement, including but not limited to, the match requirement of section 288.904(2), F.S., the transparency requirements of sections 288.903(7), 288.904(6) F.S., the per diem and travel expense provisions of section 112.061, F.S., as more specifically set forth in sections 288.901, 288.903, 288.904, and 288.905, F.S., the prohibition against the creation or establishment of any unauthorized entity, corporation, or direct-support organization as outlined in section 288.903(8), F.S., the public compensation requirements of section 288.905(4), F.S., the lodging requirements of section 288.905(5), F.S., the salary restrictions of section 288.905, F.S., and use of funds requirements of section 288.905(6), F.S. as solely determined by DEO, is a default in the performance of this Agreement as contemplated by this Article.

c. Except as otherwise provided herein or required by law, and not inconsistent with section 288.9015(2)(e) of the Florida Statutes, following the termination of this Agreement, all funds which as of the date of termination DEO previously provided to EFI but are not yet expended by EFI, shall revert to the State of Florida General Revenue Fund. Except as otherwise provided herein or required by law, the requirement for the return of and method of repayment of any such unexpended funds shall be at the sole and absolute discretion of DEO.

d. EFI shall make any payments or refunds to DEO under this Agreement as follows: (a) when EFI, its independent auditor or agent, discovers an overpayment due to unearned or disallowed expenditures, EFI shall automatically pay to DEO such any overpayment with non-State funds, no later than 40 calendar days after each such overpayment; or (b) when DEO first discovers an overpayment, imposes a sanction, financial consequence or other such financial remedy available pursuant to this Agreement or by law, DEO shall notify EFI in writing, and EFI shall pay to DEO each such payments with non-State funds no later than 40 calendar days after receiving DEO's notification. Payments should be sent to DEO's Agreement Manager, and made payable to the "Department of Economic Opportunity." Should payment not be made in a timely manner, DEO shall be entitled to charge interest at the lawful rate of interest on the outstanding balance beginning 40 calendar days after the date of notification or discovery.

e. EFI further agrees that any profit, proceeds, program income or similar additional monies received, created or earned by the EFI or its subrecipient, but not subcontractor vendor(s), from the use of State funds from this Agreement must be reported to DEO and used for activities allowable pursuant to this Agreement and State law as pre-authorized by DEO in writing.

22. DISPUTE RESOLUTION: The Parties agree they will seek to resolve any disputes between them regarding their responsibilities as soon as possible and at the lowest level reasonable, in order to conserve the resources of the Parties. The Parties further agree to use their best efforts to assure speedy and non-confrontational resolution of any and all disputes between them. If informal efforts are unsuccessful, the Parties agree to engage a mutually accepted Florida Supreme Court Certified Circuit Court volunteer mediator to assist them in resolving any outstanding issues. If, within a reasonable time after engaging a mutually accepted volunteer mediator, the Parties are unable to resolve any outstanding issues, the Parties agree that formal resolution, including but not limited to any remedies available at law or in equity may be sought. This Article is subject and subordinate to, and shall not be construed as a limitation on, any other provisions herein, including, but not limited to Article 14, *Indemnification*, or Article 21, *Defaults, Sanctions and Remedies*.

24. SEVERABILITY: If any term or provision of this Agreement is found by a court of competent jurisdiction to be illegal, invalid, or unenforceable, then such term or provision shall be severed from this Agreement. This Agreement and the rights and obligations of the Parties shall be construed as if this Agreement did not contain such severed term or provision, and this Agreement otherwise shall remain in full force and effect.

25. PRESERVATION OF REMEDIES: No delay or omission to exercise any right, power, or remedy accruing to either Party upon breach or default under this Agreement will impair any such right, power, or remedy of either Party, nor will such delay or omission be construed as a waiver of any such breach or default or any similar breach or default.

26. DISCRIMINATORY VENDOR: EFI shall disclose to DEO if it or any of its affiliates, as defined by section 287.134(1)(a.), F.S., appears on the discriminatory vendor list. An entity or affiliate placed on the discriminatory vendor list pursuant to section 287.134, F.S., may not: (1) submit a bid, proposal, or reply on a contract or agreement to provide any goods or services to a public entity; (2) submit a bid, proposal, or reply on a contract or agreement with a public entity for the construction or repair of a public building or public work; (3) submit bids, proposals, or replies on leases of real property to a public entity; (4) be awarded or perform work as a contractor, subcontractor, grantee, supplier, sub-grantee, or consultant under a contract or agreement with any public entity; or (5) transact business with any public entity. EFI affirms that it is aware of the provisions of section 287.134(2) (a), F.S., and that at no time has EFI or its affiliates been placed on the Discriminatory Vendor List. EFI further agrees that it shall not violate such law. EFI shall insert a provision in accordance with this Article, in all subcontracts for services in relation to this Agreement.

27. NON-DISCRIMINATION: EFI shall not discriminate against any employee employed in the performance of this Agreement, or against any applicant for employment because of age, race, sex, creed, color, handicap, national origin, or marital status. EFI shall insert a provision in accordance with this Article, in all subcontracts for services in relation to this Agreement.

28. HARASSMENT-FREE WORKPLACE: EFI shall provide a harassment-free workplace, with any allegation of harassment given priority attention and action by management. EFI shall insert a provision in accordance with this Article, in all subcontracts for services in relation to this Agreement.

EFI agrees that it shall not violate such law and further acknowledges and agrees that any conviction during the term

of this Agreement may result in the termination of this Agreement in accordance with section 287.133(4), F.S. EFI shall disclose to DEO if or any of its affiliates, as defined in section 287.133(1)(a), F.S., is on the convicted vendor list. A person or affiliate placed on the convicted vendor list following a conviction for a public entity crime is prohibited from performing under this Agreement for a period of 36 months from the date of being placed on the convicted vendor list. EFI shall insert a provision in accordance with this Article in all contracts for services in relation to this Agreement.

30. EMPLOYMENT ELIGIBILITY VERIFICATION: Executive Order 11-116, signed May 27, 2011, by the Governor of Florida, requires DEO contracts in excess of nominal value to expressly require EFI to: (1) utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by EFI during the Agreement term; and, (2) include in all subcontracts under this Agreement, the requirement that subcontractors performing work or providing services pursuant to this Agreement utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the term of the subcontract. If EFI does not have an E-Verify MOU in effect, EFI must enroll in the E-Verify system prior to hiring any new employee after the effective date of this Agreement.

31. LOBBYING:

a. EFI shall not use any State financial assistance, as defined in section 215.971, F.S., received pursuant to this Agreement, for lobbying the Legislature, the judicial branch, or any State agency unless such lobbying is conducted according to section 11.062(2), F.S.. This does not prohibit EFI from using funds pursuant to this Agreement to pay for salaries, travel expenses, and per diem of its full-time employees who may be required to register as lobbyists and represent EFI before the state legislative or executive branches. Pursuant to section 11.062, F.S., EFI shall insert a provision in accordance with this Article in its subcontracts for services in relation to this Agreement, to the extent that State financial assistance is received by such contractors pursuant to those subcontracts, and only to the extent of such State financial assistance.

b. EFI will notify DEO in writing within 24 hours of any request for testimony or EFI's participation in Congressional, Legislative, and other State or federal hearings.

33. ASSIGNMENTS: Except as otherwise provided in this Agreement, neither party may assign, delegate, nor otherwise transfer its rights, duties, or obligations under this Agreement without the prior written consent of the other Party, which consent will not be unreasonably withheld. Any assignment, delegation, or transfer in violation of this Article is void *ab initio*. EFI hereby agree that it shall remain responsible for all work performed and all expenses incurred in connection with this Agreement, regardless of an assignment, delegation, or transfer.

34. AGREEMENT MANAGERS: If any of the information provided in this section changes, including the designation of a new Agreement Manager, after the execution of this Agreement, the Party making such change will notify all other Parties in writing of such change. Enterprise Florida recruits new business to the state, and works to retain and expand existing industry and business. EFI is the state's primary entity for trade and export development, is responsible for the marketing and promotion of Florida as a premier business destination, and ensures that Florida is in a militarily competitive position via the Florida Defense Alliance (FDA), an organization within EFI (section 288.980, Florida Statutes).

ATTACHMENT IV AUDIT REQUIREMENTS

The administration of resources awarded by DEO to the recipient (EFI) may be subject to audits and/or monitoring by DEO as described in this Attachment.

MONITORING. In addition to reviews of audits conducted in accordance with 2 CFR 200, Subpart F - Audit Requirements, and section 215.97, Florida Statutes (F.S.), as revised (see AUDITS below), monitoring procedures may include, but not be limited to, on-site visits by DEO staff, limited scope audits as defined by 2 CFR §200.425, or other procedures. By entering into this agreement, the recipient agrees to comply and cooperate with any monitoring procedures or processes deemed appropriate by DEO. In the event the DEO determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by DEO staff to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS.

PART I: FEDERALLY FUNDED. This part is applicable if the recipient is a state or local government or a nonprofit organization as defined in 2 CFR §200.90, §200.64, and §200.70.

1. A recipient that expends \$750,000 or more in federal awards in its fiscal year must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. EXHIBIT 1 to this form lists the federal resources awarded through DEO by this agreement. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from DEO. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR §§200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR §200.514 will meet the requirements of this Part.
2. For the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR §§200.508-512.
3. A recipient that expends less than \$750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. If the recipient expends less than \$750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other than federal entities).

PART II: STATE FUNDED. This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2), Florida Statutes.

1. If the recipient expends less than \$750,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of section 215.97, F.S., the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than state entities).

PART III: OTHER AUDIT REQUIREMENTS.

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of state financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes.
